In the Lodges

Those who attended the card party last evening, given by the Myrtle Rebeccan lodge, No. 256 in Industrial hall, Moline, are in hopes that they may be afforded the opportunity to attend another one soon, as a very enjoyable time was spent by all. Five hundred was played at 19 tables and ladies' first prize was awarded to Mrs. Ruby E. Calvert, while Mrs. Rose Reeves took second. Fred Potter was presented with men's first prize. Mrs. Sophie Langbehn was favored with ladies' consolation while men's consolation went to Maurice Nelson. After the games a delicious luncheon was served in the dining room and during the evening plans were discussed in regard to holding a dance and entertainment sometime in March, when the proceeds will go to the Red Cross.

Nobel lodge, No. 288, Order of Vasa, met last evening in Redmen hall, Moline, and initiated two candidates. The date of the fourth anniversary celebration of the lodge has been set for March 27 instead of March 6 as was first arranged. A decision was made to invite the district convention to Moline next year and the delegates, who are soon to leave for Chicago, have been instructed to work diligently for that purpose.

Members of East Moline canton, No. 73, Patriarchs Militant, met last evening and mustered in one new candidate.

Police News

Wonder of wonders is this man George Hart, Moline taxi driver.

What did he do?
Beat it to the police station last night and told the cops all about knocking down a woman who was standing in the thoroughfare at Twenty-fourth street and Fourth avenue, waiting for a street car.

Get this—he gave all the details and refused to spare himself.
Admitting that the kidnapping of children on Fourth avenue got the better of his judgment yesterday and that in his wrath he had struck Ernest Carrington, 11-year-old son of Orland Carrington, 1850 Fourth avenue, Dr. A. F. Trembley, 702 Eighteenth avenue, this morning in Moline police court pleaded guilty to a charge of assault and battery and paid a fine of \$3 and costs.

CASE IS DROPPED.

Magistrate A. A. Niles, East Moline, yesterday afternoon, dismissed the case of Alexander Fritzel, charged with malicious mischief in that he heaved a pool ball through a window at the Hill pool hall, Silvis, causing damages to the extent of \$100. Too much joy water is alleged to have been the cause of early spring training. P. H. Railback appeared for the state and A. B. Johnson for the defendant. It is said that when the Silvis marshal went to put the unruly one under arrest, he proceeded to bite the official's hand. And the ball which he picked on for his attack was No. 13.

Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. I tried but no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no loss of time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene E. Pullen, carpenter, 129 D. Marquette avenue, Moline, N. J. Better cut out this notice and show it to any others who are ruptured, or who have a rupture or at least stop the misery of rupture and the worry and danger of an operation.

You Get Better Cough Syrup by Making it at Home

What's more, you save about \$2 by it. Easily made and costs little.

It's not only a fine cough syrup, but it's also the ready-made kind, but you will also have a more effective and dependable remedy in every way. It overcomes the usual cough, throat and chest colds in 24 hours—relieves even whooping cough quickly.

Get 2 1/2 ounces of Pinex (60 cents worth) from any good drug store, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Here you have a full pint—a family supply—of the most effective cough syrup that money can buy—at a cost of only 60 cents or less. It never spoils.

The prompt and positive results given by this pleasant tasting cough syrup have caused it to be used in more homes than any other remedy. It quickly cures a dry, hoarse or tight cough, soothes the inflamed membranes that line the throat and bronchial tubes, and relieves the most distressing cough. Splendid for throat tickle, hoarseness, bronchitis, croup and bronchial asthma. Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept any cheap imitations. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., St. Louis, Mo.

EAST MOLINE

Mrs. A. B. Dieterich was a delightful hostess yesterday, entertaining 30 ladies of the Loyal Daughters. There were many kiddies present also. The ladies spent a busy time sewing on caps and aprons for the spring bazaar. They made plans for a St. Patrick social to be held March 13 at the W. I. Tazewell home. All the ladies can make plans for their new St. Patrick gowns for they all will certainly get invitations. Mrs. Dieterich served a nice lunch.

Mrs. Roy Swanson is entertaining relatives from Galesburg.

The Silvis Baptist Aid met yesterday at the church parlors. Mrs. Carl Hipskind was hostess. Mrs. Henry Hanks was to have been, but owing to sickness was unable to do so. Twelve ladies answered to roll call and spent a busy afternoon with Red Cross work. Mrs. Gene Wheatcraft invited the society to meet at her home in two weeks. Mrs. Hipskind served a tasty lunch.

Miss Mina Gill underwent an operation for appendicitis at the Moline city hospital this morning. She has been office girl in Dr. J. H. Long's office.

The Misses Verna Long and Bernice Mason went to Galesburg last night for a week-end visit with Margaret Pallon.

The ladies of the Eastern Star will serve a fine dinner at Moose hall Friday evening at 6:30 for the Masonic class of Candide that will be put through the work Friday afternoon and evening. All Mason members are invited. Come have a good time and enjoy the ladies' cooking.

Mr. and Mrs. Otto Peterson and Mr. and Mrs. J. M. Miller were joint entertainers Thursday evening at a farewell party for Mr. and Mrs. Hans Riskedahl, who left yesterday for Ottawa. The game of 500 was played, Miss Mary Donahoe and Mr. Riskedahl were prize winners. Mrs. Riskedahl was presented with a lovely seal purse, which was much appreciated. Following the games the guests enjoyed some of Mesdames Miller's and Peterson's good cooking.

Mrs. H. J. Schmidt of Silvis was in a peck of trouble yesterday. She was busy baking and cooking for a birthday party for her niece, Matilda Schmidt, and a friend, Ethel Kirkpatrick. The cakes were done and so many candles ready to be set in the frosting; the guests invited, when her sister, Suzanne McCarchen, came in from school "all broke out with the (pro)-German measles." What will I do? says Mrs. Schmidt. I'll just step over and tell my friend, Mrs. Shannon. No sooner thought than done. Now, what do you think happened? Mrs. Shannon said, bring your cakes and all the good things and come right in, and the table was laid for 14, with patriotic colors, and just looked handsome. There were guests there from the tri-cities and East Moline. Games, music and sociability were enjoyed until a late hour. And sister Suzanne had some of the birthday cake as well as the measles, and, as in the fairy tales, everybody was happy ever after.

There was a fine time last night at the K. P. dancing party. Fifty couples danced to the music of Jones' jazz band. There will be another one in March.

Frank Shannon writes from New York City to his mother in Silvis. He is enjoying himself. He is with the Three Hundred Second company of engineers and plays the cornet in the band, and their band marched recently in New York when the Seventy-seventh infantry was there. His wife is located there and Frank gets an over-Sunday furlough real often.

Charles Young of Silvis writes from Casper, Wyo., that he has a chain of seven hotels on his division. He is with the commissary department for the Grier Hotel company.

Mr. and Mrs. George Ross have arrived in McGee, Ark., where Mr. Ross is transacting business.

Mr. and Mrs. Harold Chapman were royal hostesses last evening to the Mid-week Card club of Silvis. Cards were played at four tables. As usual, Mrs. Dick Bell carried home the ladies' first prize. Tom Wandless and Charles Schmidt were both born under lucky stars, the former winning the high prize, the latter the all-around. Mr. and Mrs. John Hanson invited the club to their home in two weeks. Mrs. Chapman served a lovely lunch at the small card tables.

Yesterday at noon there was a pretty wedding at the Congregational parsonage, Rev. A. K. Johnson officiating, using the ring ceremony. Miss Eva Erickson of Rural township and Thomas Schofield of Sherrard were united in marriage. The attendants were Ruth Erickson, sister of the bride, and Doris Schofield, sister of the groom. The bride was born and reared in Rural township. The groom was the first child born in the village of Sherrard. They will go to housekeeping immediately on a farm near Sherrard.

Obituary

Funeral of Carl A. Parks.

Schoolmates in large numbers attended the funeral of Carl Albert Parks, 14-year-old lad, which was held yesterday afternoon at the home, Twenty-third avenue and Thirty-first street, Moline. Owing to quarantine regulations as the boy had been a victim of scarlet fever, the company of sorrowing children remained in the yard where such obsequies as were proper under the circumstances were carried out.

The remains will be placed in a vault until later and then will be taken for interment to Clinton, Mo., where a sister is laid to rest.

Funeral of Mrs. A. J. Leibold.

Funeral services for Mrs. A. J. Leibold, 2110 Fifth avenue, Moline, will be held tomorrow afternoon at 3 instead of 2, as was first announced.

Robert Everett Painter.

Robert Everett Painter, aged 3, son of Mr. and Mrs. James Painter, 304 Twenty-fourth avenue, East Moline, died yesterday. The child was born June 24, 1914.

BOWLING

The Strollers flipped two out of three from the John Deere Plow pin sharks and the same tune was repeated in the go between the Ramblers and the Republic Iron & Steel teams, with the former holding the heavy end in play at the Moline Y. M. C. A. alleys last evening. Witness the plain figures:

SUFFICIENT NAMES SECURED.

Sufficient names to insure that the matter of changing the name of East Moline to Deere will be brought up for consideration at the hands of the East Moline city council were secured today. The certificate showing that citizens desired to make the substitution was filed with the secretary of state at Springfield some days ago and at the end of a 60-day period if there is no other municipality in the state having the same cognomen, then the secretary of state issues a statement to that effect and following a mass meeting called for the purpose of a free and full discussion of the proposition, the city council will take a vote to determine whether or not to grant the prayer of the petition. Last evening another meeting of business men was held at the Heider store for the purpose of checking up the situation. The workers were more than pleased with the progress that has been made. It may be that the name Deere city will finally be decided upon in order to give the town a bit more prestige, since it is felt that a one syllable word savors too much of "jay" stuff.

NEWLY WED MUST FIGHT.

For the information of the young man of Class 1A, who writes to the correspondence card enclosed in a likewise dainty envelope, Clerk J. H. Coburn announces that the status of the registrant who was married several weeks ago is not changed. He still remains in Class 1A, and had his classification been changed after his marriage he would not have been called for examination tomorrow evening, as only men in Class 1 are being examined at this time.

DOCTOR GETS RELEASE.

Because of his physical condition, Dr. E. Don Taylor, who has been at Camp Oglesboro, Georgia, has returned to East Moline, having been given an honorable discharge. He was a lieutenant in the medical reserve corps and probably will reopen his office in East Moline. He is a former mayor of that city.

GROUND GLASS AGAIN.

When Mrs. W. G. Morrison, wife of a lockfitter employed at Rock Island arsenal, opened a can of salmon last evening she found some hard substance, supposedly glass. The matter was reported to the Moline police authorities, who in turn asked City Chemist Arthur Mellen to make a test. The salmon was bought in Moline.

HOTEL ROBBED.

Mike Janes today reported to the East Moline police department the theft of \$22 from the European hotel, conducted by him at 326 Sixteenth avenue, East Moline. The place was several rooms and who overlooked \$1,000 in the safe.

U. S. BAND PARADES IN ROME.

At the noonday luncheons to be held during the campaign, reports of the different committees will be heard, and the figures will be posted on a blackboard to be kept in the dining room. Each committee will have a table, as will the directing heads. As the chairman of each committee makes his report the figures will be tabulated and it will be possible to announce the total day by day.

A meeting of Boy Scouts has been called for tomorrow evening at the Moline club. The Scouts have been enlisted in this campaign and they will make a house to house canvass under the direction of H. M. Craig, scout executive.

HARDING ASKS REELECTION.

Des Moines, Iowa, Feb. 28.—Governor W. L. Harding, Republican, today announced his candidacy for reelection.

Grandma Never Let Her Hair Get Gray

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage, Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound, and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.—(Adv.)

DID YOU KNOW THAT

"Shall this country adopt military training patterned after the plan in vogue in other countries?"

That is the question which foreign-ers attending the Irving school, Moline, will debate this evening, as the closing feature of the instruction which has been given during the winter months. Mrs. C. H. Huntton will give a talk and others to be heard will be Mayor M. R. Carlson and Wilson P. Hunt, president of the board of education. Harry Ramsdell will sing and a patriotic program will be carried out by the aliens who are seeking to secure an insight into American customs, as well as to master the English language.

Announcement of the 37 members of the factory committee who will conduct a canvass among the shops and manufacturing institutions of Moline, East Moline and Silvis, for funds for the war chest, were announced today by O. E. Mansur, Moline. They will meet this evening at the Moline Commercial club for the purpose of mapping out definite plans.

Y. M. C. A. NOTES

Burris' team has challenged Raney's Stars to a game of volleyball tonight at the Moline Y. M. C. A. On one team are Burris, Sward, Greenfield, Bodine, George Wilson and Wood while the other will be made up of Raney, Allee, Ed. Haberer, Ed. Melin, Dr. Freeman, Morris Johnson.

In volleyball last night at the Moline Y. M. C. A. Raney got one out of three from Wilson and Ed Haberer forfeited three games to Morris Johnson.

AUTO TRADE MEN TO ATTEND AT CLINTON

The Tri-City Auto Trade association held a special meeting last night at the Moline Young Men's Christian association. Vice President Halmer of East Moline presided, as the president, R. A. Wolfer, was in Detroit. A good representation of the members was present, and everyone was enthusiastic over the new plans. A vote of censure and good wishes was extended to Gardner Smith, who leaves soon to enter the United States aviation corps. Mr. Smith expressed his appreciation in a few well chosen words, and wished the association the best of success.

R. E. Bedee gave a report of the national service congress held in Chicago last week. He spoke of the urgent need of good business methods as an aid in war and the period immediately following.

V. Y. Kropf, the new auto trade commissioner, outlined plans for the year, and discussed the important phases of the work. The main topic of his address was "that the greatest handicap of the automobile is industry—lack of business ethics."

The association plans to enlarge the present membership committee to three from each of the tri-cities to serve with Mr. Kropf. The committee at present consists of W. S. Hanshaw, Davenport; A. C. Johnson, Rock Island, and S. F. Petersen, Moline.

It was decided to accept the invitation of the Clinton Auto Dealers' association to attend the Clinton automobile show Friday, March 8. A special car will be furnished and the members will attend in a body.

W. R. Weir, Penn Stations company, made a strong plea for harmony and co-operation, stating that in business relations, as well as in every other way, the fact must be recognized that every man is his brother's keeper and responsible for his success or failure.

W. L. Mason, Davenport, speaking of the work to be accomplished by the association, compared it with the difficulties encountered by the Retail Grocers' association, during its formative period. He stated that all of these obstacles have been overcome, and the association has placed the grocers' business on a sane and safe basis. He spoke highly of the splendid work done by John Schaefer of Davenport, who is now representative of the National Grocers' association on Mr. Hoover's staff.

Mr. Kropf stated that he had secured offices for the association in County Attorney Jebens' suite, 221 Masonic temple, Davenport.

The next meeting will be held March 12 at the Davenport Commercial club.

PAVING JOBS ARE TO BE FEW HERE

Improvement of Twenty-Fifth Street Probably Will Be Only Project Tackled This Year.

From present indications there will be but two and maybe only one paving job put in this year in Moline, due to the high prices prevailing for material. The exception that is most likely to be installed is the project calling for the improvement of Twenty-fifth street from Fifteenth to Twenty-third avenue and several intersecting blocks, while it is possible that Fifty-third street from Sixth to Seventh avenues will be given attention.

A contract for the former was awarded last summer but because of the necessity for rushing work on buildings at Rock Island arsenal, McCarthy Improvement company, Davenport, which had the contract, dropped the job. A petition from property owners on Fifty-third street has been pending with the city commission for a year.

KNOCKED DOWN BY TEAL.
James Hanson, residing at 434 Forty-fourth street, Moline, was knocked to the pavement at the Twenty-fifth street railroad crossing this morning by a team driven by Earl Misher. Only minor bruises resulted.

WALK ERECT AT EIGHTY

Because a man or woman is old does not mean that they must walk along bent over and supported with a cane. A man can be as vigorous and healthy at 80 as at 20 if he aids the organs of the body in performing their functions.

All diseases whether of a malignant or weak character tend to tear away our vitality. You must counteract disease in its incipient stage if you would live a happy and useful long life.
